OUTLAW JACK Joseph Edward Badger

1850 - A year before, the Californian "gold-fever" broke out, a party of emigrants, numbering nearly one hundred under the command of Caleb Mitchell, felt fairly secure as they traveled the hard trail to find gold. However, security is marred by a sad accident in Mitchell's family early on. The quest for Gold can be complicated and dangerous, especially when it involves Outlaws! Can dreams prevail, or what and how much will be lost in this Western Outlaw tale?
